Murugan #MECA-101

Cover Letter

Dear Hiring Manager,

My name is Murugan K. I am an experienced Automotive / Car Mechanic currently working in the

United Arab Emirates. I am writing to apply for a mechanic position in your company.

I have practical experience in vehicle maintenance, engine repair, diagnostics, brake systems,

suspension work, and general automotive servicing. I am hardworking, responsible, and able to

work both independently and as part of a team.

I am very interested in working in Europe and contributing my skills to your company. I am also

willing to continue learning new technologies, including modern and electric vehicles.

I would appreciate the opportunity to discuss how my skills and experience can benefit your team.

Thank you for your time and consideration.

Sincerely,

Murugan K
