În profesie

din 2001 - Viziunea noastră

Gheorghe Piperea

Insolvența poate fi o experiență traumatică, poate implica sacrificii, dar dacă este bine gestionată, poate genera întreprinderi mai puternice și un mediu economic și social mai sigur, mai previzibil.

Suntem aici pentru a lumina calea și pentru a garanta că mai ales cel ce va îndura va învinge (vincit qui patitur).

Mircea Deaconu

Companiile, ca și oamenii, au nevoie de îngrijire, iar când se îmbolnăvesc și unii și alții au nevoie de tratament. Noi vindecăm companii prin atentă analiză, implicare activă, soluții creative și mult, foarte mult muncă. Muncim cu respect față de oamenii care au construit o afacere precum și față de cei afectați de insolvența unei afaceri (salariați, creditori etc), iar mai presus de toate punem principiul dreptei judecării, al responsabilității, al echității și deontologiei.

Ne facem meseria cu cinste și onoare și suntem mândri de asta mai mult decât de performanța pe care o atingem.

Florian Matei

Trecutul nu poate fi întors, așa că avem grijă să nu ratăm șansa de a învăța din experiențele și situațiile deja întâmplăte. Am învățat, învățăm și vom învăța din căderi, propriile experiențe și din poveștile altora.

Avem privirea îndreptată spre viitor și suntem ghizi experimentați pe timp de furtună.

Mirela Dragnea

Suntem deopotrivă capabili și hotărâți să ne ajutăm clienții să depășească insolvența și să își planifice un viitor mai puțin riscant, cu mai multe oportunități de creștere a afacerii.

Știm cum putem reuși: avem capacitatea de a înțelege cum funcționează o companie, priceperea de a depista cauzele care au condus la situația analizată și expertiza de a propune soluții de reușită potrivite fiecărui client. Reușim pentru că noi, la RomInsolv, suntem o echipă și facem echipă cu fiecare companie pentru care proiectăm viitoarea performanță.

Dear Hiring Manager,

I am writing to apply for available job opportunities in your organization. I have over

five years of experience in customer service, administrative support, hospitality, and cashier roles. I am confident that my skills and work experience will allow me to contribute positively to your organization.

In my previous roles, I handled customer service responsibilities, processed cash and POS transactions, managed office administration duties, and supported daily business operations. I am hardworking, reliable, detail-oriented, and able to work in fast-paced environments.

I am willing to relocate and I am open to opportunities that offer visa sponsorship. I am eager to contribute my skills, learn new systems, and grow within your organization.

I would appreciate the opportunity to discuss how my experience and skills can benefit your organization. Thank you for your time and consideration.

Yours faithfully,

Raheemat Atolagbe Temitope

ABOUT ME

I am a hardworking and responsible Dairy Farm Assistant with hands-on experience in daily farm operations. I am

physically fit, quick to learn, and able to adapt to different working environments. I have

practical knowledge of animal care, feeding, and maintaining farm hygiene.

Working in Nepal has taught me how to perform tasks efficiently even with limited resources. I am energetic, disciplined, and committed to maintaining high standards of animal welfare and productivity. I am eager to learn modern farming techniques and contribute positively to a professional dairy farm.

WORK EXPERIENCE

DAIRY FARM WORKER - DAIRY KING PVT. LTD. - 22/10/2019 - 20/08/2025 - NEPAL

- Feeding cows and calves according to schedule and nutritional needs
- Cleaning animal sheds, milking areas, and maintaining overall farm hygiene
- Assisting in milking process (manual or machine-based if available)
- Monitoring animal health and reporting any illness or unusual behavior
- Assisting in vaccination, treatment, and basic animal care
- Handling and managing fodder, silage, and water supply
- Maintaining cleanliness of equipment and farm tools
- Supporting breeding activities and calf care
- Following farm safety and hygiene standards
- Assisting senior staff in daily farm operations

MIXED FARMER - OWN HOMESTEAD - NEPAL

- As my family is dependent on agriculture, I have been working as a farmer since my childhood.

Crop:

- Planting and harvesting crops.
- Applying fertilizers, pesticides, and herbicides as needed.
- Monitoring and adjusting irrigation systems.
- Operating and maintaining farm machinery for fieldwork.
- Testing soil quality and analyzing crop nutrient requirements.

Livestock:

- Feeding and caring for livestock, including providing water and food.
- Monitoring animal health
