Subject: Application for Dairy Farm Assistant Position

Greeting of the Day

Dear Hiring Manager,

I am writing to apply for the position of Dairy Farm Assistant. I am a motivated and hardworking

individual from Nepal with practical experience working at DAIRY KING PVT. LTD, where I was

actively involved in daily dairy operations.

During my time at DAIRY KING PVT. LTD, I gained hands-on experience in feeding cattle, cleaning sheds, assisting in milking, and maintaining proper hygiene standards. I also supported basic animal care, monitored livestock health, and assisted senior staff in routine

farm activities. This experience helped me build strong discipline, responsibility, and the ability

to work efficiently as part of a team.

Working in Nepal has taught me how to perform tasks effectively even with limited resources. I

am physically fit, energetic, and capable of working long hours in demanding conditions. I am

also a fast learner and eager to adopt modern dairy farming methods and technologies.

I am confident that my experience, dedication, and positive attitude will allow me to contribute

effectively to your farm. I would appreciate the opportunity to discuss my application further.

Thank you for your time and consideration.

Sincerely,

Mekh Bahadur Thapa
